Rules are displayed on the CFLBP.com site and you can print them out if needed but I did that since they have been changed and we are going over the changes.

Social Media displays where we are at out there!

The screenshot shows the homepage of the Central Florida Business Professionals website. At the top, the title "Central Florida Business Professionals" is displayed in a blue serif font, with the subtitle "Central Florida's Exclusive Networking Group" below it. To the right of the text is a graphic of a globe with silhouettes of business professionals in suits standing in front of it. Below the header is a navigation menu with links for Home, Calendar, Contact, Events, Rules, and Social Networking. The main content area is divided into several sections: an Advisory Board listing founding members, a Social Networking section with an edit icon, a Chapter Links section listing various chapters, and an Events Calendar for April 2011. The calendar shows the 28th as the current date. At the bottom, there are logos for South Lake Chamber of Commerce, LinkedIn, Facebook, Twitter, and www.connectionsgroups.com, along with a footer containing administrative links and a copyright notice for 2011.
